

Fractional General Counsel

Tiered Service Proposal

Our Fractional General Counsel service delivers flexible, strategic legal support precisely calibrated to your business needs. Each tier provides progressively deeper access, faster responsiveness, and dedicated mentoring—empowering you to select the partnership level that aligns with your organisation's stage and ambition.

Whether you're an early-stage startup requiring essential legal coverage or an established enterprise seeking embedded general counsel, our tiered approach ensures you receive expert guidance without the overhead of a full-time hire.

- 📄 **Standard hourly rate:** £250/hour. Each package includes built-in discounts, and Silver and Gold tiers feature dedicated mentoring time to strengthen legal confidence and leadership capability across your organisation.
